

WOORE PARISH NEIGHBOURHOOD PLAN

Referendum – WHY SHOULD YOU PLEASE VOTE YES?

on Thursday 30th May in the Victory Hall

- The Plan has been written by local volunteer residents
- For local residents
- For the good of Our Parish in the next 20 years
- It will give the Parish Council more influence on Planning Applications
- It contains the policies you have supported overwhelmingly
- During the 3 years we have worked on this Plan we have kept you informed every 2 months in the parish magazine
- Copies of the draft were circulated to every household in last year's Consultation – apart from responding to comments then and by the official Examiner it is essentially the same now as you were given then
- It gives us control of the types and numbers of developments you said you were prepared to accept
